MEMORANDUM FOR: Mr. Earman

THROUGH :

SUBJECT : Publications Board Records

25X1

1. On 5 June I was visited by [redacted], an FDD officer now working with SCIPS. His search for an authoritative and current list of Agency publications had led, with several detours, to me as Secretary of the Agency Publications Board.

2. Within the past few weeks I had assembled the information necessary to bring the Board's list up to date. I have made the drafts and related materials available to [redacted] who said he found them highly useful to SCIPS. He is also examining records accumulated during the life of the USIB Ad Hoc Committee on Foreign Intelligence Publications which Mr. Kirkpatrick chaired.
